

AMPL

Free Temporary Course Use Request

For classes that make use of optimization models and methods, we invite you to request free copies of AMPL and selected solvers to give out to students. These copies are full-featured but time out after the end of the course.

Return this form by fax to +1 425-940-6286 or email to fax@ampl.com.

Details of this program are given at www.ampl.com/courses.html.

Questions? Contact us at licensing@ampl.com.

1. Person responsible for the course

Title or position _____

Name _____

Email _____

Registered for the IBM Academic Initiative? Yes No

2. Details of the course

College or university _____

Department _____

Course number & title _____

Beginning date _____ Ending date _____

3. Person to receive the software

Title or position _____

Name _____

Email _____

In making this request you agree that software received under the AMPL for Courses program will be distributed only in conjunction with the educational activities of the indicated course, and will not be modified without prior permission from AMPL Optimization.

In checking Yes under item 1 you affirm that you are entitled to receive the CPLEX solver under the terms of the IBM Academic Initiative. You can register for this IBM program at www.ibm.com/developerworks/university/academicinitiative.
